FOR IMMEDIATE RELEASE

RichmondPetLovers.com to Sponsor the Lumber Liquidator's Richmond 2007 MS Walk Pooch Rest Stop

RICHMOND, VA (April 18, 2007) — RichmondPetLovers.com is happy for the opportunity to be a small part of in the Lumber Liquidator's Richmond 2007 MS Walk on Saturday, April 21, 2007. The RichmondPetLovers.com team is participating in this event in a number of different ways. Albeit, sponsoring the Pooch Rest Stop is a first for them.

What exactly is a pooch rest stop? Why, it's just what you think it is—a rest stop for the dogs participating in the walk. After all, dogs can be great fund-raisers! And during a three mile hike, they can get mighty thirsty. So, the pet lover's team will make sure there is plenty of cool fresh water, some treats, and a nice stretch of grass for the fund-raising dogs.

[Register your dog](#) today under Team Pooch and the pooch that raises the most money will be honored with the title of "Top Dawg" for the 2007 Walk. Bring your dog, join in on the fun and help make a difference!

About RichmondPetLovers.com

RichmondPetLovers.com is a local online pet directory—"the place" for pet lovers to go to for information about pets and animals in the Central Virginia region. The site features a [directory of pet and animal businesses, services, and organizations](#); [pet related news](#); [pet articles, tips and tricks](#); [pet classified ads](#); [fun pet stuff](#) and much more. It's a haven for pet owners!

About the National MS Walk

The MS Walk has brought together thousands of caring individuals to walk on behalf of the mothers and fathers, brothers and sisters, friends, colleagues, children and caregivers whose everyday lives are profoundly touched by the unpredictable and devastating disease of multiple sclerosis.

The MS Walk is a fun and enjoyable fund-raising event that supports the National Multiple Sclerosis Society's efforts to end the devastating effects of MS. Funds raised have fostered tremendous MS research advances.
